The Skull Knight's Clan is closed!

It might not be permanent, but it is not likely that it would be opened again.

Therefore this website is OBSOLETE. It can only be used as an archive of a once strong clan. The Constitution is still here, it is a perfect set of rules that could be used in any clan. The videos are there as well for anyone to watch. The gallery is here as well. All of them can be accessed from the menu to the left.

To know why the clan was closed, look [here](#).
